## TOWNSHIP OF SOUTHWOLD

### Report to Council

**DATE:** June 10th, 2019

**PREPARED BY:** Lisa Higgs, CAO/Clerk

**REPORT NO.:** CAO 2019-80

**SUBJECT MATTER: Iona Park Proposal – Dutton Dunwich**

---

**Recommendation:**

THAT Council receives the Iona Park proposal from Dutton Dunwich as information;

AND THAT Council gives consideration to appointing a member to serve on a shared steering committee

**Purpose:**

To seek direction from Council on their participation in a Committee to determine feasibility and design of a new park proposed in Dutton Dunwich.

**Background:**

Earlier this month, Southwold staff was approached by a member of Dutton Dunwich Council about a proposal to construct a park in Iona. Dutton Dunwich has received requests from residents to construct a park on that municipality's side of the municipal boundary which will likely consist of a small playground, some landscaping, and some picnic tables.

**Comments/Analysis:**

At this time, Dutton Dunwich has not committed any budget funds to the project or made any commitments to the community. This proposal is in the early conceptual stage. Dutton Dunwich is working to form a Committee for the park consisting of two members of Dutton Dunwich Council, local resident participation, and a member of Southwold Council.

An attached map of the proposed park was provided by Dutton Dunwich for reference. The area in Red is the proposed park location.

**Financial Implications:**

At this point, there has been no budget discussions or estimates for Southwold consideration. There has also been no requests for funding or formalized partnership request.
