Fingal Construction Update #11

Work Completed this week (Apr 13-Apr 17):

Crew 1 & 2

- Sanitary service installation has been completed on both sides of Union Road, north of the pumping station.
- Road excavation and placement of Granular 'B' have been completed from the pumping station to 8177 Union Road.
- Pits have been excavated around existing water services to prepare for temporary connections.
- Directional drilling has begun on Union Road between McDiarmid Line and Talbot Line.

Work Planned for (Apr 20 – Apr 24):

Crew 1 & 2

- Water service connections to the temporary watermain will be completed. Residents will be notified in advance of any water service disruptions.
- Storm mainline installation will begin in front of 8146 Union Road and progress northward. As construction advances, residents will need to access their homes from either the south or north side of Union Road, depending on the work location.
- Directional drilling between McDiarmid Line and Talbot Line will continue.

Road Closure and Access:

- Union road is closed to traffic from Talbot Line to Fingal Line. Detour signs are installed as per the detour plan.
- The detour is east of Union Rd via John Wise Line
- As the storm sewer is installed, driveways will be temporarily impacted to accommodate new service connections. The contractor will make every reasonable effort to maintain access; however, some residents may experience restricted driveway access for up to a few days during work
- The Contractor will provide residents with 1-2 days' notice if temporary driveway access restrictions are required.
- Walking path for pedestrians is on the east side Union Road marked by snow fence
- The school bus pick-up and drop-off have been communicated by the bus company to affected users.
- Residents are asked to park in their driveways whenever possible and leave sufficient room on the roadway for construction traffic.

Construction Safety:

- Your safety is very important to us. Please respect the work zone
- Please use caution when using the road or sidewalks in the construction zone and obey directions from traffic control.
