Fingal Construction Update #12

Work Completed this week (Apr 20-Apr 24):

Crew 1 & 2

- Installed the storm mainline from the north ravine just north of Storm Maintenance Hole #37.
- Cut and cap the existing watermain and install a new watermain at the intersection of Fowler Street and Millpark Street.
- Installed temporary watermain connections for residents.
- Directional drilling on Union Road between McDiarmid Line and Talbot Line.

Work Planned for (Apr 27 – May 1):

Crew 1 & 2

- Complete installation of the storm mainline to Storm Maintenance Hole #37 and install the maintenance hole.
- Begin installing the sanitary forcemain from the north limits toward the pumping station entrance.
- As work progresses, residents will need to access their homes from either the north or south side of Union Road, depending on the construction location.
- Continue directional drilling sanitary forcemain between McDiarmid Line and Talbot Line.

Road Closure and Access:

- Union road is closed to traffic from Talbot Line to Fingal Line. Detour signs are installed as per the detour plan.
- The detour is east of Union Road via John Wise Line.
- As the sanitary and storm sewers are installed, driveways will be temporarily impacted to accommodate new service connections. The contractor will make every reasonable effort to maintain access; however, some residents may experience restricted driveway access for up to a few days during work
- The Contractor will provide residents with 1-2 days' notice if temporary driveway access restrictions are required.
- Walking path for pedestrians is on the east side Union Road marked by construction fence.
- The school bus pick-up and drop-off have been communicated by the bus company to affected users.
- Residents are asked to park in their driveways whenever possible and leave sufficient room on the roadway for construction traffic.

Construction Safety:

- Your safety is very important to us. Please respect the work zone
- Please use caution when using the road or sidewalks in the construction zone and obey directions from traffic control.
- Please respect the work zone and keep children away from all construction equipment and materials within the construction zone.
