## Fingal Construction Update #14

### Work Completed this week (May 4 - May 8):

#### Crew

- Installed the new forcemain on the west side of Union Road from the ravine to the pumping station entrance.
- Installed new catch basin's connecting them to the new storm mainline on Union Road north of the pumping station.
- Connected new watermain at Fowler Street and Millpark Street
- Connected residents water services to the temporary watermain
- Continued directional drilling sanitary forcemain on Union Road between McDiarmid Line and Talbot Line.

## Work Planned for (May 11 – May 15):

### Crew

- Begin installing the sanitary mainline on the west side Union Road from the pumping station entrance headed south towards Fingal Line.
- Sanitary private drain stubs will be installed at the property line.
- Continue building the road with granular from the north limit following behind the sanitary mainline.
- Continue directional drilling sanitary forcemain on Union Road between McDiarmid Line and Talbot Line.

### **Road Closure and Access:**

- Union road is closed to traffic from Talbot Line to Fingal Line. Detour signs are installed as per the detour plan.
- The detour is east of Union Road via John Wise Line.
- As the sanitary and storm sewers are installed, driveways will be temporarily impacted to accommodate new service connections. The contractor will make every reasonable effort to maintain access; however, some residents may experience restricted driveway access for up to a few days during work.
- The Contractor will provide residents with 1–2 days' notice if temporary driveway access restrictions are required.
- Walking path for pedestrians is on the east side Union Road marked by construction fence.
- The school bus pick-up and drop-off have been communicated by the bus company to affected users.
- Residents are asked to park in their driveways whenever possible and leave sufficient room on the roadway for construction traffic.

### **Construction Safety:**

- Your safety is very important to us. Please respect the work zone.
- Please use caution when using the road or sidewalks in the construction zone and obey directions from traffic control.
- Parents are asked to ensure children stay clear of the construction area and equipment. Children should not enter the work zone and should be accompanied by a parent or guardian when near the construction area.
