Fingal Construction Update #17

Work Completed this week (May 25 - May 29):

Crew

- Continued installing the sanitary mainline on Union Road from sanitary maintenance hole SAMH124 to SAMH123.
- Installed sanitary maintenance hole SAMH123 and continued installing sanitary mainline south heading towards Lanark Street.

Work Planned for (June 1 – June 5):

Crew

- Continue installing the sanitary mainline within the slide rail trench system south of the SAMH123 toward Fingal Line.
- Install sanitary private drain stubs to the Town’s right-of-way limit for each property.
- Continue backfilling the trench behind the sanitary mainline crew as work progresses.

Road Closure and Access:

- Union road is closed to traffic from Talbot Line to Fingal Line. Detour signs are installed as per the detour plan.
- The detour is east of Union Road via John Wise Line.
- As the sanitary and storm sewers are installed, driveways will be temporarily impacted to accommodate new service connections. The contractor will make every reasonable effort to maintain access; however, some residents may experience restricted driveway access for up to a few days during work.
- The Contractor will provide residents with 1-2 days' notice if temporary driveway access restrictions are required.
- Walking path for pedestrians is on the east side Union Road marked by construction fence.
- The school bus pick-up and drop-off have been communicated by the bus company to affected users.
- Residents are asked to park in their driveways whenever possible and leave sufficient room on the roadway for construction traffic.

Construction Safety:

- Your safety is very important to us. Please respect the work zone.
- Please use caution when using the road or sidewalks in the construction zone and obey directions from traffic control.
- Parents are asked to ensure children stay clear of the construction area and equipment. Children should not enter the work zone and should be accompanied by a parent or guardian when near the construction area.
- Please be aware that there is a temporary water supply running along the job, be careful when cutting grass near the line.
