Fingal Construction Update #22

Work Completed this week (June 29 – July 3):

Crew

- Continued installing sanitary mainline on Union Road south of Fowler Street towards Glasgow Street.
- The second crew relocated to the Shedden Wastewater Treatment Plant on Union Road to complete the forcemain crossing on the west side of the road towards the Treatment Plant. Local access can return to using Union Road to Talbot Line.

Work Planned for (July 6 – July 10):**Crew**

- The sanitary mainline crew will continue installing the sanitary sewer main to the intersection of Union Road and Glasgow Street and will install sanitary maintenance hole (SAMH120).
 - Once SAMH120 has been installed at the Union Road and Glasgow Street intersection, the mainline crew will relocate to the pumping station entrance to begin installing the sanitary mainline toward the new pumping station.
 - The second crew will complete the installation of sanitary services between Glasgow Street and the pumping station entrance.
 - Endbridge Gas will be onsite to install a new gas mainline on the west side of Union Road near the north side of the Fingal construction site.
-

Road Closure and Access:

- Union road is closed to traffic from Talbot Line to Fingal Line. Detour signs are installed as per the detour plan.
- The detour is east of Union Road via John Wise Line.
- As the sanitary and storm sewers are installed, driveways will be temporarily impacted to accommodate new service connections. The contractor will make every reasonable effort to maintain access; however, some residents may experience restricted driveway access for up to a few days during work.
- The Contractor will provide residents with 1–2 days' notice if temporary driveway access restrictions are required.
- Walking path for pedestrians is on the east side Union Road marked by construction fence.
- The school bus pick-up and drop-off have been communicated by the bus company to affected users.
- Residents are asked to park in their driveways whenever possible and leave sufficient room on the roadway for construction traffic.

Construction Safety:

- Your safety is very important to us. Please respect the work zone.
- Please use caution when using the road or sidewalks in the construction zone and obey directions from traffic control.
- Parents are asked to ensure children stay clear of the construction area and equipment. Children should not enter the work zone and should be accompanied by a parent or guardian when near the construction area.
- Please be aware that there is a temporary water supply running on both sides of Union Road South of the pumping station up to Fingal Line. Also there is another temporary water line on Fowler Street from Church Street to Union Road, be careful when cutting grass near the line.
