Fingal Construction Update # 9

Work Completed this week (Mar 30 - Apr 2):

Crew 1 & 2

- Sanitary sewers mainline completed North of pump station to Mun. # 8115
- Crew prepping services to go in for each property
- Installed new wet well for the pumping station

Work Planned for (Apr 6 - Apr 10):

Crew 1 & 2

- Sanitary services will be installed for the mainline North of pump station
- Test pits will be dug North and South of Fowler Street on Union Road, to investigate future soil condition
- Excavating pits for forcemain directional drilling on Union Road, in between Fingal Construction and New Waste Water Treatment Plant

Road Closure and Access:

- Union road is closed to traffic from Talbot Line to Fingal Line. Detour signs are installed as per the detour plan.
- The detour is east of Union Rd via John Wise Road
- As the sanitary sewer is installed, driveways will be temporarily impacted to accommodate new service connections. The contractor will make every reasonable effort to maintain access; however, some residents may experience restricted driveway access for up to a few days during work
- The Contractor will provide residents with 1-2 days' notice if temporary driveway access restrictions are required.
- Walking path for pedestrians is on the east side Union Road marked by snow fence
- The school bus pick-up and drop-off have been communicated by the bus company to affected users.
- Residents are asked to park in their driveways whenever possible and leave sufficient room on the roadway for construction traffic.

Construction Safety:

- Your safety is very important to us. Please respect the work zone
- Please use caution when using the road or sidewalks in the construction zone and obey directions from traffic control.
