## Shedden Construction Update #10

### Work Completed this week (May 4 – May 8):

#### Crew

- Removed existing storm pipe on the east side of Union Road, south of Elizabeth Street
- Pulverized existing asphalt on Union Road for phase 2.
- Started installation of the sanitary mainline on Union Road south of sanitary maintenance hole SA204.

**Work Planned for (May 11 – May 15):**

**Crew**

- Continued installation of the sanitary mainline south of sanitary maintenance hole SA204.
- Stub sanitary private drains up to each property.
- Replace removed watermain at the Union Road and Elizabeth Street intersection, and north of Elizabeth Street on the west side of Union Road.

**Road Closure and Access:**

- Union Road is closed to through traffic between Fifth Line and Talbot Line. Detour signage has been installed in accordance with the approved detour plan.
  - The detour route is west of Union Road via Iona Road.
  - Local traffic will continue to have access to properties within the closure limits.
  - The school bus company has communicated any pick-up and drop-off adjustments directly with affected users.
  - Please place your garbage and recycling bins the day before pick up or by 7:00a.m at the end of your driveway and clearly label them with your address. The contractor will collect all bins within the construction zone and return them to your property by the end of the day after collection.

**Construction Safety:**

- Your safety is very important to us. Please respect the construction work zone and all posted signage.
- Use caution when travelling through or near the construction area and follow directions from traffic control personnel.
- Be aware that construction equipment and trucks may be entering and exiting the work zone.
- Parents are asked to ensure children stay clear of the construction area and equipment. Children should not enter the work zone and should be accompanied by a parent or guardian when near the construction area.
