Shedden Construction Update #9

Work Completed this week (Apr 27- May 1):

Crew

- Completed installation of the sanitary mainline on Elizabeth Street from SA204 east of Union Road to just west of John Street South.
- Completed installation of the sanitary mainline on Elizabeth Street from SA204 west of Union Road.
- Installed sanitary maintenance hole SA213.

Work Planned for (May 4– May 8):

Crew

- Continued installation of the sanitary mainline south of sanitary maintenance hole SA204.
- Complete watermain work on the west side of Union Road, including the Union Road and Elizabeth Street intersection.
- Road and Elizabeth Street intersection.
- Pulverize the existing asphalt in Phase 2
- Complete watermain and sanitary crossing on Union Road at the Courtney Street intersection, heading west.

Road Closure and Access:

- Union Road is closed to through traffic between Fifth Line and Talbot Line. Detour signage has been installed in accordance with the approved detour plan.
- The detour route is west of Union Road via Iona Road.
- Local traffic will continue to have access to properties within the closure limits.
- The school bus company has communicated any pick-up and drop-off adjustments directly with affected users.

Construction Safety:

- Your safety is very important to us. Please respect the construction work zone and all posted signage.
- Use caution when travelling through or near the construction area and follow directions from traffic control personnel.
- Be aware that construction equipment and trucks may be entering and exiting the work zone.
- Parents are asked to ensure children stay clear of the construction area and equipment. Children should not enter the work zone and should be accompanied by a parent or guardian when near the construction area.
