Shedden Sanitary Sewer Construction Update # 12

Hydroseeding on West
Boulevard of Union Road

Road Construction

Sanitary Sewer Installation

Work Completed this week (June 09 – June 13):

- The contractor completed the installation of the 450mm sanitary sewer up to the Union Road/Spicer Street intersection (STA 0+550)
- This included installing Manhole MH 9 and a 300mm sanitary stub extending east from MH 9.
- PDC sanitary services up to P/L follows main sewer installation.
- The construction of road follows the installation of sewer on daily basis.
- Hydroseeding of boulevard is completed on West side from south work limit to the Fire Station entrance.
- The site and roads will be cleaned in preparation for this weekend's Tractor Pull festivities.

Work Planned for (June 16 – June 20):

- The contractor will begin pulverizing the asphalt on Union Road from Fairground Street to Talbot Road.
- Install 250mm sanitary stub extending west. from MH 9.

- The contractor will continue installation of the 300mm sanitary sewer from MH 9 towards MH 7 located at the Union Road/Fairground Street intersection.
- Road construction will continue to follow Sewer installation on daily basis.
- The contractor is notifying residents of disturbances caused by construction as work passes affected residences.

Road Closure and Access:

- Union road is closed to through traffic from Talbot Line to Fingal Line. Detour signs are installed as per the detour plan.
- The detour is set east of Union Rd via John Wise Road
- Local traffic has access to properties
- School buses pick up and drop off location is at intersection of Union Road and Talbot Lane as per school bus provider plan
- Walking path for pedestrian is on grass area East of silt fence along Union Road
- Access to the soccer field parking area and residences south of the work zone will be maintained from the south side of Union Road.
- Contractor built temporary by-pass road behind the properties at east of Union Road, between Teetzel Street and Fairground Street. This road is to be used only by emergency vehicles.

Construction Safety:

- Your safety is very important to us. Please respect the work zone
- Please use caution when using the road or sidewalks in the construction zone and obey directions from traffic control.
