Shedden Sanitary Sewer Construction Update # 13

Work Completed this week (June 16 – June 20):

- The contractor completed the installation of the 450mm sanitary sewer up to MH 9 the Union Road/Spicer Street intersection, they also stated the installation of 300 mm sanitary sewer going north on union road form MH 9 towards MH 7.
- This included installing a 300mm sanitary stub extending east and 250mm sanitary stub extending west from MH 9.
- PDC sanitary services up to P/L follows main sewer installation.
- The construction of road follows the installation of sewer on daily basis.

Work Planned for (June 23 – June 27):

- The contractor will continue installation of the 300mm sanitary sewer form MH 9 towards MH 7 located at the Union Road/Fairground Street intersection.
- This also includes Installation of MH 7 Located at Union Road/Fairground Street intersection. Install 16.7m long 200 mm sanitary sewer between MH 7 and MH8. Install MH 8 and then contractor will continue 300mm sanitary sewer installation towards MH 6.

- Road construction will continue to follow Sewer installation on daily basis.
- The contractor is notifying residents of disturbances caused by construction as work passes affected residences.

Road Closure and Access:

- Union road is closed to through traffic from Talbot Line to Fingal Line. Detour signs are installed as per the detour plan.
- The detour is set east of Union Rd via John Wise Road
- Local traffic has access to properties
- School buses pick up and drop off location is at intersection of Union Road and Talbot Lane as per school bus provider plan
- Walking path for pedestrian is on grass area East of silt fence along Union Road
- Access to the soccer field parking area and residences south of the work zone will be maintained from the south side of Union Road.
- Contractor built temporary by-pass road behind the properties at east of Union Road, between Teetzel Street and Fairground Street. This road is to be used only by emergency vehicles.
- During construction works at the Union Road/Fairground Street intersection, All the emergency vehicles will be redirected to go through Fairground Campus Parking area.

Construction Safety :

- Your safety is very important to us. Please respect the work zone
- Please use caution when using the road or sidewalks in the construction zone and obey directions from traffic control.
