Shedden Sanitary Sewer Construction Update # 16

Road Construction

Sanitary Sewer Installation

Work Completed this week (July 07 - July 11):

- The contractor completed the installation of the 300mm sanitary sewer up to MH 2 which is approximately at Union Road/Waugh Street intersection.
- PDC sanitary services up to P/L follows main sewer installation.
- The construction of road follows the installation of sewer on daily basis.

Work Planned for (July 14 - July 18):

Monday, July 14th:

- Work will begin on the 250mm watermain relay at the intersection of Union Road and Waugh Street.
- The watermain will be shut down from 8:00 AM to 5:00 PM.
- Affected residents were notified on Friday, July 11th.

Tuesday, July 15th:

- The sanitary sewer will be installed on Waugh Street.
- The 200mm watermain relay into Waugh Street will be finished, few residents east of Waugh Street may be affected.

Wednesday, July 16th - Friday, July 18th:

- The contractor will continue working on the 300mm sanitary sewer toward MH1, located at the intersection of Union Road and Talbot Lane.
- Work on the 300mm sanitary sewer and the installation of MH1 is planned for Monday, July 21st. During this time, vehicle traffic will be under the control of flaggers, with one-way traffic open in each direction at a time. More information regarding next week's construction will be provided in a future update.

Road Closure and Access:

- Union road is closed to through traffic from Talbot Line to Fingal Line. Detour signs are installed as per the detour plan.
- The detour is set east of Union Rd via John Wise Road
- Local traffic has access to properties
- School buses pick up and drop off location is at intersection of Union Road and Talbot Lane as per school bus provider plan
- Walking path for pedestrian is on grass area East of silt fence along Union Road
- Access to the soccer field parking area and residences south of the work zone will be maintained from the south side of Union Road.
- Contractor built temporary by-pass road behind the properties at east of Union Road, between Teetzel Street and Fairground Street. This road is to be used only by emergency vehicles.
- During construction works at the Union Road/Fairground Street intersection, All the emergency vehicles will be redirected to go through Fairground Campus Parking area.

Construction Safety :

- Your safety is very important to us. Please respect the work zone
- Please use caution when using the road or sidewalks in the construction zone and obey directions from traffic control.
