## Shedden Sanitary Sewer Construction Update # 18

Asphalt Placement at Talbot Line/Union Road intersection

Sanitary Sewer Installation at Talbot Line/Union Road intersection

### **Work Completed this week (July 21 - July 25):**

- Contractor completed the sanitary sewer installation on July 23, 2025, which conclude the sanitary sewer installation on this project.
- Base Asphalt (HL8) placement has been completed at Talbot Line/Union Road intersection.

### **Work Planned for (July 28 – Aug 01):**

- Monday July 28, 2025, the contractor will begin the storm sewer installation at MH FST.4, which is located just south of the Fire Station. They will install a 1050mm pipe towards MH FST.2.
- Road work will continue with the placement of Granular A at the south end, specifically from station 0+800 to 1+270. The final grading is scheduled for Wednesday, with the placement of the base asphalt to follow on Thursday.

### **Road Closure and Access:**

- Union road is closed to through traffic from Talbot Line to Fingal Line. Detour signs are installed as per the detour plan.
- The detour is set east of Union Rd via John Wise Road
- Local traffic has access to properties
- Walking path for pedestrian is on grass area East of silt fence along Union Road
- Access to the soccer field parking area and residences south of the work zone will be maintained from the south side of Union Road.
- Contractor built temporary by-pass road behind the properties at east of Union Road, between Teetzel Street and Fairground Street. This road is to be used only by emergency vehicles.
- During construction works at the Union Road/Fairground Street intersection, All the emergency vehicles will be redirected to go through Fairground Campus Parking area.
- The Union Road/Talbot Line intersection is open for traffic.

**Construction Safety:**

- Your safety is very important to us. Please respect the work zone
- Please use caution when using the road or sidewalks in the construction zone and obey directions from traffic control.
