Shedden Sanitary Sewer Construction Update # 2

Work Completed this week (March 31 – April 4):

- Road asphalt pulverized from Fairground Street to McDiarmid Drain
- Installation of first and second maintenance holes.
- Installation of 13.4m run of sewer between MH16 & MH15.
- Today, the contractor has started the installation of 450mm sewer from MH15, going North on Union Road

Work Planned for April 7-11:

- Continue installation of sanitary sewer going North from MH 15

Road Closure and Access:

- Union road is closed to through traffic from Talbot Line to Fingal Line. Detour signs installed as per detour plan
- Detour is set East of Union Rd through John Wise Road
- Local traffic has access to properties
- Contractor has maintained a lane through the site for emergency vehicles
- School buses pick up and drop off location is at intersection of Union Road and Talbot Line as per school bus provider plan
- Walking path for pedestrian is on grass area East of silt fence along Union Road

Construction Safety :

- Your safety is very important to us. Please respect the work zone
- Please use caution when using the road or sidewalks in the construction zone and obey direction from traffic control
