Shedden Sanitary Sewer Construction Update # 4

Work Completed this week (April 14 – April 18):

- The contractor continued the installation of 450mm Sanitary Sewer North on Union Road
- Installed the next maintenance hole
- This week a total of 65 metres of pipe was installed

Work Planned for April 21-25:

- Continue sewer installation towards and install the Corsley Park Maintenance Hole
- Complete the first 3 sanitary Private Drain Connections (PDC)
- The construction of road will follow installation of sewer on daily basis

Road Closure and Access:

- Union road is closed to through traffic from Talbot Line to Fingal Line. Detour signs installed as per detour plan
- Detour is set East of Union Rd through John Wise Road
- Local traffic has access to properties
- School buses pick up and drop off location is at intersection of Union Road and Talbot Line as per school bus provider plan
- Walking path for pedestrian is on grass area East of silt fence along Union Road
- The contractor has received permission to use Oneida and McDiarmid, Township staff will monitor and deploy the road grader as needed to maintain those roads.
- Corsley Park entrance will be affected next week, access to the park will be from the walking trail only.

Construction Safety:

- Your safety is very important to us. Please respect the work zone
- Please use caution when using the road or sidewalks in the construction zone and obey direction from traffic control
