Shedden Sanitary Sewer Construction Update # 9

Work Completed this week (May 19 – May 23):

- The contractor has completed the installation of 450mm sanitary sewer heading north beyond MH11 almost to the Firehall
- Service installs to existing properties as they go through.
- Stripping for platform widening and future sidewalk extension to Spicer Street.
- Temporary laneway for emergency vehicles, has been stripped, and first loads of gravel placed.
-

Work Planned for (May 26 – May 30):

- Complete the temporary lane construction
- Complete sewer installation passed the firehall, water service to the hall will be interrupted twice, no effects to residents expected.
- The construction of road follows the installation of sewer on a daily basis.

Road Closure and Access:

- Union road is closed to through traffic from Talbot Line to Fingal Line. Detour signs are installed as per the detour plan.
- The detour is set east of Union Rd via John Wise Road
- Local traffic has access to properties
- School buses pick up and drop off location is at intersection of Union Road and Talbot Lane as per school bus provider plan
- Walking path for pedestrian is on grass area East of silt fence along Union Road
- The entrance to the soccer field parking area is accessible from the south using Union Road.
- The layby lane for Emergency Vehicles has been restored. Temporary lane constructed for emergency vehicle access to Talbot Line while construction proceeds to Spicer.
- Notice to affected property owners for this upcoming week will be distributed on Tuesday.

Construction Safety :

- Your safety is very important to us. Please respect the work zone
- Please use caution when using the road or sidewalks in the construction zone and obey directions from traffic control
