## **Talbotville Garbage and Recycling Collection Day Change Notice**

Dear Resident:

Over the last couple of months, we have seen an increase in the number of households in Talbotville that require Garbage and Recycling collection services. We understand that there is frustration over collection not being completed on the assigned day.

To balance the amount of time required to collect garbage and recycling for the entire Township, it is necessary to change the collection day for Talbotville from Wednesday to Monday.

We hope that you will help us with this new collection schedule by continuing to set out your garbage and recycling on **Monday mornings, beginning August 15th, 2022 at 7:00 AM.** Please note our current garbage and recycling collector has agreed to collect material on holiday Mondays as well.

Please see route map on the reverse of this letter showing the updated areas in Talbotville that will be moving to a Monday collection.
