Thomas Road Construction Update #15

Work Completed this week (July 13 – July 17):

Crew:

- Added granular 'a' on the rehab section of Thomas Road.
- Backfilling in behind curbs.
- ASG has been waiting for the PRV water chamber to arrive to Thomas Road, they are scheduled to be here at the end of July / early August.

Work Planned for (July 20– July 24):

Crew:

- Place topsoil behind the curb and the rehab section to the construction limits.
 - Place granular 'a' in the rehab section.
 - Put detour in place for the PRV chambers being installed on Lake Line and Union Road and Sparta Line intersection.
-

Road Closure and Access:

- Thomas road is closed to through traffic from Union Road south and north.
- Local traffic can still access properties. As construction approaches your property, adjust access accordingly.
- The school bus company has communicated any pick-up and drop-off adjustments directly with affected users.
- Your temporary mailbox is located at the Port Stanley Arena for mail delivery, see picture below for location reference. Any issues with mail deliveries please contact Canada Post directly.

Construction Safety:

- Your safety is very important to us. Please respect the work zone
- Please use caution when using the road in the construction zone and obey directions from traffic control.
- Be aware that construction equipment and trucks may be entering and exiting the work zone.
- Parents are asked to ensure children stay clear of the construction area and equipment. Children should not enter the work zone and should be accompanied by a parent or guardian when near the construction area.
