- Installed catch basin's and storm drains to the development property.
- Started cutting down the road on the south end of the job and placed new granular for the road.

**Work Planned for (May 25- May 29):**

**Crew:**

- The contractor will continue installing the storm mainline north of the tee intersection on Thomas Road.
- Storm maintenance holes will be installed at the specified design locations.
- The secondary crew will continue the road cut on the south side of the job.

### **Road Closure and Access:**

- Thomas road is closed to through traffic from Union Road south and north.
- Local traffic can still access properties. As construction approaches your property, adjust access accordingly.
- The school bus company has communicated any pick-up and drop-off adjustments directly with affected users.
- Your temporary mailbox is located at the Port Stanley Arena for mail delivery, see picture below for location reference. Any issues with mail deliveries please contact Canada Post directly.

### **Construction Safety:**

- Your safety is very important to us. Please respect the work zone
- Please use caution when using the road in the construction zone and obey directions from traffic control.
- Be aware that construction equipment and trucks may be entering and exiting the work zone.
- Parents are asked to ensure children stay clear of the construction area and equipment. Children should not enter the work zone and should be accompanied by a parent or guardian when near the construction area.
