

## **Lynhurst Park Drive & Lyn Court Construction Public Information Centre**

---

January 6, 2022

Dear Property Owner/Resident,

The Township of Southwold is planning for the reconstruction of Lynhurst Park Drive and Lyn Court. The work includes replacement of the existing storm sewers, watermain, and asphalt road. Construction is anticipated to commence in the Spring of 2022 with the anticipated construction completion in the Fall of 2022. Following 2022 construction, there will be a one-year warranty period where the contractor will replace project deficiencies in the Spring of 2023.

We would like to invite you to an online Public Information Centre where you can learn more about this project. Township staff and consultant Spriet Associates will be available to answer any questions you have during and after the meeting.

If residents are unable to participate but would still like to review the project drawings, please notify the Township's project manager.

### **Public Information Centre:**
