## Thomas Road Construction Update # 6

### Work Completed this week (May 11 – May 15):

#### **Crew:**

- Completed three storm culvert crossings on the south end of Thomas Road.
- Continued installing storm mainline up to the tee intersection on Thomas Road.

**Work Planned for (May 19– May 22):**

**Crew:**

- The contractor will continue installing the storm mainline north of the tee intersection on Thomas Road.
- Storm maintenance holes will be installed at the specified design locations.
- A secondary crew will be coming in behind the storm mainline crew to start placing granular for the proposed road.

### **Road Closure and Access:**

- Thomas road is closed to through traffic from Union Road south and north.
- Local traffic can still access properties. As construction approaches your property, adjust access accordingly.
- The school bus company has communicated any pick-up and drop-off adjustments directly with affected users.
- Your temporary mailbox is located at the Port Stanley Arena for mail delivery, see picture below for location reference. Any issues with mail deliveries please contact Canada Post directly.

### **Construction Safety:**

- Your safety is very important to us. Please respect the work zone
- Please use caution when using the road in the construction zone and obey directions from traffic control.
- Be aware that construction equipment and trucks may be entering and exiting the work zone.
- Parents are asked to ensure children stay clear of the construction area and equipment. Children should not enter the work zone and should be accompanied by a parent or guardian when near the construction area.
