

BULK WATER STATION

WATER OFF NOTICE

Due to upcoming watermain work on the St. Thomas Area Secondary Water Supply System, the Bulk Water Station will be required to be taken offline to minimize pressure losses in the Township of Southwold's Drinking Water System.

The Bulk Water Station will be turned off on July 11th, 2025 at 6:00 PM.

It is anticipated it will remain off until Saturday July 12th at 8:00 PM.

Check the Township website at www.southwold.ca for the latest updates.

The Township of Southwold apologizes for any inconvenience that this may cause. Your cooperation in this matter is greatly appreciated.

Thank You

Township of Southwold
